DETAILED ACTION

Response to Amendment

This Office Action is in response to Amendment filed on 10/14/04.

Claims 1-14, 26 have been cancelled.

Claims 15, 18 have been amended.

Claims 15-25 are pending.

Examiner took notice of amendment and remarks and found it is persuasive.

Claims 15-25 are now allowed.

Reason for allowance

Claims 15-25 are allowed. The following is an examiner's statement of reason for allowance: None of the references of record teaches or suggests the claimed limitations having a method of forming a capacitor comprising the steps of forming a barrier layer comprising a triplelayer structure of a first metal film, a metal nitride film and a second metal film formed in the named order, and then forming a lower electrode on an upper surface of the barrier layer. The triplelayer structure formed in present invention is to minimize the peeling and lifting of the lower electrode from an underlying plug in the process of forming capacitor dielectric film and its annealing process.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance".
